TRADE MARK

A GREAT DISCOVERY!

It is claimed to be the cause, these worms are the offspring of a microscopic insect, and that the eggs are taken into the stomach in the water we drink. It expels all kinds of worms, and in fact all living parasites that infest the bowels of children or adults, and is perfectly regulated by this purely vegetable remedy. Children like it, and it never fails to expel all worms where it is given. It positively eradicates from the system those terrible pests to health, Pin Worms, Seat Worms, Tape Worms, and many other worms that cause so much suffering. Every bottle is warranted to give satisfaction, or money refunded. Children are subject to worms and may be suffering from them and not know it. Don't neglect them, but procure a bottle of this remedy at once and relieve them of their misery. It is a sure cure for Worms, and will not injure the most delicate child. Price, 25 cents.
